

# Missionaries on the Move

## **PURPOSE:**

To provide vehicles to missionaries who are back in the states.

Finding and buying a car is a relatively expensive process to do when you have the time. But for our missionaries, the need for a vehicle quickly adds to the stress. And then selling an automobile at the last minute before returning overseas adds to this very difficult task and often results in selling the vehicle at a discount. In realizing this, the **Missionaries On The Move** automobile program was started. This has proven to be one of the greatest gifts we can give our missionaries upon their return to our Network.

Missionaries Doug & Tasha Myers and family with their missionary moving vehicle!

## **What Types of Vehicles Can be Donated?**

## **How Can I be Involved?**
